Bernie Gunderson, STPC member since 1990, is one of the 2007 inductees into the Northern Section Hall of Fame. He has been a force on the Minnesota tennis scene since the 1940s. A former player at the University of Minnesota, Gunderson was sectionally-ranked in both singles and doubles, winning the men's 55 singles title in 1983-84, the 60s crown in 1987 and 1989, the 65s championship in 1992 and the 70s title four different times including 1999. He also has played in a number of national senior tennis tournaments.

In 1964, he won the Ward Burton Junior Development Award and has served on a number of volunteer committees within the Section. He was extremely active with the Urban Tennis Program serving as an instructor and site director.

New members deal!

The Senior Tennis Board voted to regard anyone joining the club **after September 1** as paid for the following year as well. Example: join 9/5/07 and you are paid up for both 2007 **and** 2008. This **does not** apply to a renewing member.

Captains and all members: this is extra incentive to get those people who'd like to play in fall/winter to sign up now. Spread the word!

ICT Senior Clay Court Championships

This USTA-sanctioned tournament was held at Bearpath Country Club in Eden Prairie as a benefit for the InnerCity Tennis Foundation. Over eighty senior men participated in singles and doubles in ages 50, 55, 60, 65, 70, 75 and 85.

The highlight of the tournament was the high quality of play of the 85 singles final. John Brooks defeated Milton Woodhouse in a very well-played match. In addition to Brooks and Woodhouse, Nick Pappas, a Northwest Tennis Association board member from 1968-1985 and coach, was also registered to play.

In addition to Twin Cities players, several players from Florida, Arizona, North Dakota and the greater Minnesota area participated. Highly ranked David Nash (60 singles) and Ron York (55 singles) treated the tennis crowd with their fine play.

Mark your tennis calendar for this tournament next year. It will be played at Bearpath Country Club, August 10-16, 2008.

Listed below are the final results of this ICT Senior Clay Court tournament.

50 singles: Wayne Kerr over Fred Budde (1); 1-6, 4-4, Retired

Octogenarian winners

David,

Great feature on Betty Western and Marilyn Cuneo! Which prompts me to report that Marilyn Karasov and Vi Schaber brought home a Silver Medal from the 2007 Senior Olympic Games in Louisville the end of June as Octogenarians. They

also won the Silver at the 2005 Senior Olympic Games in Pittsburgh but were then in the 75-79 age group.

Ruby Rott

P.S. I'm continually amazed at the fantastic job you do as editor of the newsletter. You definitely deserve a **gold medal!**

Editor replies: thanks, Ruby, for your kind comment. My reward is the appreciation and help from many members like you.

As a non-profit organization, the Senior Tennis Players Club gratefully accepts donations, memorials and estate gifts.

Mission Statement

The primary purpose of the STPC is to provide tennis playing opportunities to people 50 and older for their mental, physical, and social well-being; and to support the growth of tennis.

Percy's tennis rhythms

By Percy Hughes

Fellow players, it is **hot!** With your Sun Screen in use, (and lots of water), you're probably enjoying the outdoor play, regardless. Early is best. I hope all are using a visor or cap.

I watched some of the quarterfinals of the Rogers Cup in Montreal. Our guy, Andy Roddick played a great match, but lost to a **great** young player from Serbia, Novak Djokovic. What a surprise! Novak Djokovic eventually beat all three of 'Tennis' top players: 1) Roddick; 2) Nadal; 3) Federer, in that order. Yes, this young man is here to stay for quite awhile, I do believe. Humorous to me is the number of times Djokovic usually bounced the ball for his ritual—somehow TV had portions of his bounces eliminated.... Taking too much TV time?

Question for all. Before serving, do you have a **ritual**? Not a tough one—just before making your ball toss, did you bounce the ball at least once or twice? Watch the pros—call me if you see one of them **not** bounce the ball before serving. Novak Djokovic bounced the ball 8, 9, 10 times. That's a little bit much, but it's his way, and evidently it's what he needs to serve well.

I've said this before—our (USA) tournament playing pros evidently need tennis instructors like our No.1 guy, **Roger Boyer**, to be a big part of preparing them for the demanding tournament play here and around the world.

Just about the same time you receive this September newsletter, we'll be playing indoors again. \$5.00 and your signature is all you'll need for each lesson. David Sommer, our wonderful editor, has the time, days of the week and where—everything you might need info-wise elsewhere in this issue. I'm sure you're aware that there is **no charge** for outdoor lessons. When we are indoors we have to pay the facilities whatever they charge our club for our lessons. Not too bad, huh?

You know, I've been one of your teaching Pros since the club's inception (1982). There are two questions I **always** ask, and I hope **all** of our Pros are doing the same: 1) Do you have any **owies** I should know about? 2) Are you all signed up as members of our club? Please! You must be a member of our club. Tell your lessons pro, and he'll give you an application. Enjoy this great game—it's never too late to learn, **and, no foot faults!**

Percy

InnerCity Kidspeed benefit

InnerCity Tennis (ICT) announces its 3rd annual Kidspeed event benefiting its early childhood development program Kidspeed. The event is planned for Saturday, September 22, 2007 at 5:30 p.m. at the Reed-Sweatt Family Tennis Center, home of InnerCity Tennis, located at 4005 Nicollet Avenue.

Proceeds of the evening gala support ICT's Kidspeed program. Kidspeed is a fast moving, vibrant program centered around tennis and other sports that helps young people build character, competence and commitment for personal and community improvement.

The benefit features world-renowned tennis coach Nick Bollettieri and several world-ranked junior players, providing attendees a center-court tennis exhibition.

Nick Bollettieri has traveled the world coaching tennis greats like Andre Agassi, Boris Becker, the Williams sisters and Maria Sharipova and says, "In 1987, Arthur Ashe and I discussed how to help the thousands of inner-city children have the opportunity to achieve. We formed ABC—the Ashe Bollettieri Cities program—and for ten years, worked with children through tennis and educational programs. I am so honored and excited to be a part of ICT's Kidspeed program because I truly feel that it parallels the passion and commitment of the work we started twenty years ago."

Belinda Jensen, KARE 11's Chief Meteorologist, will host this year's event. The Kidspeed event will also include a cocktail reception, silent auction and dinner program. Tickets are \$75 per person. Call Karen McGlynn at 612-384-9143 to purchase tickets or make a silent auction donation.

Wooddale is affordable!

By Earl Hall

Wooddale now requires all players to be members, at a cost of \$26, or \$41 for couples. If you have Blue Cross Blue Shield, and probably other health plans, you can get a \$20 credit towards your membership by using the club 8 times each month. For Carol and me, we play tennis twice a week, so that gives each of us a \$20 credit. That pays all but \$1 of our \$41 membership!

Wooddale will waive the initiation fee for us seniors. So with a little creativity you can still afford to play at Wooddale. Wooddale's court fees are just \$16/hour, which is as good as anywhere else. Call Wooddale and they can tell you if your health plan has the \$20 arrangement.

Managing Arthritis

Healthy tips from UCare

If you have arthritis, you may experience pain, stiffness, swelling, or difficulty moving a joint when doing daily activities. Arthritis is common in people over 65, and it can occur in joints in almost any part of the body. Although there are many forms of arthritis, there are some common techniques that can offer relief.

- **Move your joints.** Daily exercise such as walking or swimming can make the muscles around your joints stronger. Keep movements slow and gentle so you don't overwork your joints. Talk to your doctor before beginning an exercise program.
- **Eat nutritious food and control your weight.** Stock up on fruits and vegetables—research suggests that eating foods rich in vitamin C may reduce the risk of osteoarthritis progression.* Eating a balanced diet can help you maintain a healthy weight, too. Weighing less helps ease pressure on joints.
- **Know when you need to rest.** When doing activities such as housework, take time to rest before your joints become tired and sore. It's important to balance times of working and resting. If you rest in the same position too long, your joints

may become stiff.

- **Take a bath.** Soaking in warm water can help your muscles relax and reduce joint pain. Taking a bath before bedtime may help you get a good night's sleep.
- **Talk to your doctor.** Medication or surgery may offer relief for some types of arthritis pain. Your doctor can diagnose the type of arthritis you have and help you develop a treatment plan that is right for you.

FWTEC needs bus driver

The Fred Wells Tennis & Education Center (“FWTEC”) (formerly Fort Snelling Tennis and Learning Center) is a nonprofit organization providing tennis and education for kids in the Twin Cities. Our kids come from all walks of life, and many have never played tennis before coming to the Center. A critical factor in our students’ ability to regularly attend programs is transportation. For more Center information please go to www.tennisandlearning.org.

We are seeking a part-time bus driver for our “Big Blue Bus,” which provides transportation to our facility from various locations in Minneapolis during the school year. As part of the education team, you will work with the paid staff and volunteers to help kids engage in fitness,

educational and life skills and to help them be successful on and off the courts.

Schedule, salary, benefits

Monday-Thursday 1:30-6:00 pm (October-May)

The salary is \$10,000 with medical and dental health insurance available. The position reports to the Director of Operations.

There are certain holidays and breaks throughout this period, dictated by the Minneapolis Public School calendar, including Thanksgiving, Christmas and spring break that are included in the salary.

For further information about the position please contact Lisa Stingley, Director of Operations at lisa@tennisandlearning.org or 612-252-8367 x 5.

Bolger Clinic

By Alice Weides

As usual, we filled this very popular clinic with 74 registered players and everyone stayed for lunch (of course). It's a bit of work to produce successfully, although we may have to encourage Roger Boyer to **extend** the time on court in order to keep everyone happy and hitting! Will keep you informed!

Many thanks to InnerCity volunteers Bob Busch, Bob Sloan, Bill Sturm, Ab and Pat Johnston and Tom Fischer. It could not be done without. Also thank you to Roger Boyer and his pros.

Division 2 consolation. L to R, Billy & Betty Porter; Ben Hogan & Marjorie Loheit.

Division 3. L to R, 1st place Joel Anderson & Della Gernscheid; 2nd place Henry Bell & Leah Bell.

Division 3 consolation. L to R, Barbara & Matthew D'Ascenzo; Ryan Gulbranson & George St. Cyr.
