Fred Wells is sorry...

By Margot Willett, Executive Director

On behalf of the Fred Wells Tennis and Education Center I want to express my sincere apology for the confusion around our annual patron fee policy and want to correct the misinformation that was published in the March STPC newsletter.

In keeping with Fred Wells' interest that FWTEC be accessible to people of all skill and economic abilities, we have structured our court rates and other fees at a public facility price that helps us to generate needed funds for our youth programs while recognizing the special gifts and lifestyles of our senior players.

Beginning September 1, 2009, guidelines for seniors playing tennis at FWTEC under the auspices of the STPC organization are:

- FWTEC **will no longer** charge a "group processing fee" to any STPC group.
- FWTEC **will not** charge "guest fees" to substitutes in an STPC group. (Note: an STPC group must consist entirely of STPC members. The number in the group must be at least equal to the number of courts used times 4; e.g., with 2 courts there must be at least 8 members.)
- FWTEC **will** charge the annual \$45 Patron Fee for those in such STPC groups.

For any person for whom the annual Patron Fee is a hardship or would like special consideration, FWTEC will gladly work out a satisfactory arrangement. Please contact either Lisa Stingley or me directly.

We greatly value our collaboration with STPC and look forward to seeing many of you all very soon for an enjoyable season of indoor tennis.

Final indoor schedule

The "final" indoor schedule is published in this newsletter. However, we always promptly enter any changes in the schedule posted on our website. To see the latest schedule at any time, go to www.seniortennismn.com and click **Tennis Schedule**.

InnerCity Tennis Schedule

The free Saturday fall and winter ICT program begins on Saturday, September 26 at RSFTC. Pre-registration is not required for this free program for youths ages 3-17. The program will again offer four levels of participation.

- Levels one and two (ages 3-11), 1:30-3:00
- Levels three and four (ages 11-17), 3:00-4:30

October schedule will include Saturdays October 3, 10 and 17. As the indoor program continues to grow, more volunteers are needed. Please call 612-824-6099 to volunteer.

ICT Clay Court Championships

Thanks to all the senior players and workers this was probably the all-time best tournament for the ICT Foundation. Chris Wagner of Wagner Investment Services and Estate Planning helped achieve a meaningful financial contribution to the ICT programs.

Approximately 100 senior men's matches were played on clay at Bear Path Country Club from August 8-14. Tournament committee members were Fred Budde, Larry Greely, Duane Ryman, Wayne Kerr, Gary Irish, Chris Wagner, Ralph Lieber, Steve Caruso, Mark Ottum, Jerry Kneisl and Bob Busch.

Congratulations to STPC members Richard Faunce and Jack Harkness who won the 80 doubles championship. Harkness was also a finalist in 80 singles. The best singles match of the tournament was a 55 singles match between Jack Olwell, the #1 seed

Can you help?

By Dottie Gardner

Indoor tennis time: no bugs, no sun, no heat; just a lot of competition and **fun**. We need your help to volunteer in our programs. It only takes one day a year of your time and we always have a good time with events and tournaments. Give any Board Member a call and we will get you in touch with the right committee. We have our picnic in September and a fall event at Oakdale in October. Gary Rother, Jean Murdock, Bruce and Karen Mikkelson have started planning the grandparent/grandchild tournament for next July. We need a chairperson to organize the Annual Meeting/Luncheon next May. Gary Rother and Jean Murdock are also working on the Dow Tournament in May. The Senior Tennis Players Club Board

welcomes all the wonderful volunteers who are captains for our indoor schedules. Thank you for your support of our club. No wonder we are **such a good deal** at \$25.00 a year.

Donaldson group moving

Richfield's Donaldson Park Group will move to Fairwood Park after Labor Day. Fairwood is on 68th St. and Logan Ave. S., four blocks east of Penn Ave. on 68th St.

We play Monday, Wednesday and Friday 7:30 - 9:30. For more info. call Willie or Margret at 612-869-1989.

As a non-profit organization, the Senior Tennis Players Club gratefully accepts donations, memorials and estate gifts.

Mission Statement

The primary purpose of the STPC is to provide tennis playing opportunities to people 50 and older for their mental, physical, and social well-being; and to support the growth of tennis.

Percy's tennis rhythms

By Percy Hughes

Summertime, and the balls are still bouncing pretty good in August! Hooray for that, being as we instructors have to carry many (many!) to our outdoor classes. Would you believe that three students of my Wednesday morning class called me to apologize—they were going to the Hazeltine golf championship. I couldn't get mad at that, huh.

Our editor, David Sommer, keeps us well informed about up and coming events. If you're not getting the

newsletter, and you are a signed in member, please call me—or tell your instructor—you'll be given proper information. There is a lot of interesting history about this great club. We're very fortunate to have wonderful **Mary Kaminski**, who was our first editor, and is our number one historian (I hope I'm right, Mary ☺ ☺ ☺)

Our indoor lesson program starts after **Labor Day**, so here I come as usual: (1) check your racquet strings, (2) your tennis shoes, (3) your sox, and if it's possible, have a second racquet for "just in case". Oh, also find time to tell your neighbors how much you enjoy being a member of this great organization, **Senior Tennis Players Club**. Meanwhile, I say to all of you

No foot faults!

Former three-time Big Ten Singles Champion and former Minnesota Gopher Coach Jerry Noyce lost a very close first-round 60 singles match to Tom McCune 6-7, 7-6, 7-6. This long match was the highlight of the first day of play. It was great to see Noyce back in action.

Restraining rackets

Check out the new hybrid strings and you may find a combination that will improve your game. Stringing with a hybrid is becoming a popular trend. By putting two different types of strings on one frame you may be able to maximize the qualities of each string. Consult your stringer and use combinations of strings that compliment your game. To make it easier, many manufacturers are now packaging a half set of two different strings.

Want ads

These two-liner want ads are available to all STPC members. Your ad is free for three issues. After that, there is a charge of \$5 per publication.
