The 50+ tennis experience

Be In the Know

By Linda Haller, President STPC

Our outdoor drill program has begun and we've had a great turnout to date! What a great way to improve your tennis game, enjoy camaraderie, have fun, all while being outdoors. I urge everyone to come out and take advantage of this seasonal opportunity. (The picture in the next column is of Roger Boyer's well-attended drill.) Our group play has also started. Check the schedules included in this newsletter to see which group best suits your needs.

If you are a 3.0 to 4.0 player, the STPC Summer Team Tennis League plays on Tuesday mornings throughout the summer 9-11am. Captains are still looking for subs, so, if you are interested please call Mike Woolsey at 952-937-2546.

The Hughes Clinic was attended by over 30 tennis players. The video taping of participants' serves, followed by instant feedback (provided by Roger Boyer) on how to improve one's serve, was very well received by all. Now we just need to implement what we learned :-).

The Jack Dow tournament was held May 2-5. There were 30+

doubles teams playing in three divisions 3.0, 3.5, and 4.0. This year we tried very hard to make sure people played in their proper brackets. (A definite improvement over last year!) Pictures of most of the gold and silver medal winners can be found on pages 2 to 4 in this newsletter. We are grateful to the many volunteers who provided invaluable assistance putting together this tournament. We'd like to especially acknowledge the work of Pam Campbell, Jon Holmgren, Joan and Paul Thomas, David Sommer, Jim Handy, Thue Rasmussen, and Tina (from ICT) without whose efforts this tournament would not have been possible.

We welcome David Sommer and Nancy Tarbox to the STPC Board. We're fortunate to have them as new board members.

Happy Hitting!
