Optimism for 2021

58 captains scheduling courts for Group Play

Grandkids will love this story for years to come - how we played tennis in masks! Hopefully it will become a fairy tale story of the past soon, as vaccinations become more broadly available, and infections trend downward.

Despite the precautions needed (wearing masks and socially distancing) during the winter 2020-21 season, STPC group captains scheduled and recruited new members to provide an opportunity to play.

Did you know that STPC has 58 Captains scheduling Group Play at clubs and community parks during the 2020-21 season?

The Board is hopeful and anxious to jumpstart Group Play for summer 2021 and are encouraged by the number of Captains committed to play this summer.

A special thank you for their continued interest and dedication to the sport we all love. If you have questions, concerns, or assistance regarding Group Play please contact a Captain in your area or Group Play Coordinator, Bonnie Niles at the.c.niles@mchsi.com or 952-474-6442.

Check out group play summer schedules on pages 4 & 5.

Announcements

Jack Dow Update

Due to COVID, the 2021 May Jack Dow Round Robin is postponed. Current plans are for the Dow committee to meet in July and evaluate whether the round robin can be rescheduled for August or later in the year.

League Play Begins in June

Check out pages 6 & 7 for information on the league play going on this summer!

August Tennis & Picnic Social TBD

Are you missing the socials we had when things were "normal?" We haven't discontinued them! We're just waiting until we can all be together safely. Hopefully we'll be given the MDH's go-ahead by mid-summer. That would allow us to host the "August Tennis and Picnic." Keep checking the eUpdates and the STPC website. We will let you know as soon as we can!

Letter from the Board President

A big thank you to outgoing president Marilyn Kelley for her exemplary performance!

Returning to the Presidency of STPC is an honor. Having served two times at the position I hope I can add perspective this term.

This past year was difficult. Getting back to “normal” will be an interesting task, but with the remaining board members and the prospective new members the future looks bright. With the pent-up demand, I see courts full and membership strong.

The Polar Vortex is behind us but summer tennis brings concerns about heat stress, thunderstorms and lightning. Check out the general guidelines on page 8 when play should be canceled. Safety is our top priority.

Welcome to Richard Lockett and Mark Thompson, who were elected unanimously to the STPC Board. Their three-year term starts April 2021. We will miss Sheila Bjore, Jim Handy and Brian Kretsch who leave the Board on March 31. See page 3 for details.

Lastly, on behalf of the Board of Directors, I would also like to thank outgoing President Marilyn Kelley for her exemplary performance in leading the Board over the past 2 years, particularly during this last year of the Coronavirus pandemic. Her devoted attention and involvement with all facets of STPC sets a high standard for all Board members, both present and future.

Welcome, new board members!

Richard Lockett and Mark Thompson join STPC Board of Directors on March 31.

Richard Lockett

I have been a member of the STPC going on 11 years. I joined the STPC because I was forced into retirement at 58 years of age due to a double lung transplant. Fortunately, friends of mine suggested I join their STPC group and the rest is history.

I have been on several groups (3.0- 4.0) throughout the years. I feel that growing up in the MLK neighborhood and working with seniors gives me special insight and skills that support the needs of the seniors and youth in our metro's community.

I have been married for 44 years to Junice. I worked at Mpls Public Schools for 20 years, from special ed to mentoring adult support staff. While working at Mpls Henry High school I coached my chess club to 3 city chess tournament wins. Plus, I coached defense for Longfellow Park's youth

football team for two years (1 second place and 1 first place city championship). During that time and until 2020 my wife and I owned and managed 3 rental properties. I love to fish, play chess, cook and travel.

I thank STPC Board of Directors for this opportunity. I feel honored to be on a team that supports the health and well being of our seniors and the youth in the surrounding metro communities.

Mark Thompson

I am pleased to be involved with STPC. For the last 35 years I was in a small town in Iowa. We moved here 3 years ago to be close to our kids and grandchildren. Finding a large group of people to play tennis with is a real benefit to living in the Twin Cities. For the last 40 years I have been working as a CPA. Being about 80% retired, it leaves more room for tennis.

Thank you, resigning board members

A huge thank you to Sheila Bjore, Brian Kretsch and Jim Handy for all their good work these past years. They leave the Board on March 31, but will continue to advise the Board as volunteers.

Sheila Bjore served as Secretary and helped with membership and social events these past three years. If you call the STPC help line, Sheila has been the voice of "STPC" and graciously agreed to continue in that capacity this coming year. You will find Sheila on the courts almost every day of the week!

Brian Kretsch served as Membership Chair, helped develop the onboarding initiative for new members, and created a program where Board members would each month call members who had not renewed to understand their experience and receive suggestions. Brian served on the Board for three years.

Jim Handy has served as Vice-President and developed the Pop-Up program and use of Ticketbud for online registration and payment. Jim has been the Chair of the STPC Long Range Planning Committee, helping the Board to focus on expanding tennis opportunities. Thank you for your six years on the Board!

Outdoor Group Play 2021

Get Playing with a Group in Two Easy Steps

1. Locate groups that interest you at your skill level.
2. Contact the captain and let them know you are interested in playing.

If you're looking for a group of friends to play with regularly, you're in the right place!

IMPORTANT Given that local authorities (cities, school districts, park boards etc.) are the decision makers on whether tennis courts are available for play, "drop-in" players need to call captains to understand if the group is playing.

OUTDOOR GROUP PLAY is made up of Men's, Women's, and Mixed Doubles. Groups have set players who agree to play at an appointed time and location.

- "Regulars" agree to play every week or on a regular basis. "Substitutes" get called when a regular can't make it to a scheduled group play session. Subs may say yes or no to each request, depending on their availability.
- After finding a group you are interested in joining, contact the captain (contact information is located below). If you want to be a regular, ask if spots are available. Don't be discouraged if no regular spots are open. As a sub, you will likely get called often and can move into a regular spot when one opens up and you can sub for multiple groups.
- Be sure to show up. Once you've got your tennis group play date set, make sure you come. The whole group is counting on you!

Summer Leagues

Men's, Women's & Mixed Doubles

Registrations accepted into mid-May. Play begins June 16!

Men's, Women's & Mixed Doubles teams from 2020 are pictured above.

Started in 2020, STPC Summer Leagues were formed to conform with COVID restrictions.

The leagues were formed in a round-robin format that allowed players to schedule court times and locations that worked with their schedules. Players were bracketed by player level to keep matches competitive. Players registered, a weekly schedule was developed, players agreed on courts and times, and scores were reported regularly.

The leagues were well received and will continue in 2021. A survey was sent to all members in February 2021 that included a request for interest in summer leagues. As a result, Men's, Women's, and Mixed Doubles leagues will be offered with the Singles leagues discontinued unless there is more interest.

Players that indicated interest on the survey will be contacted to confirm registration and for partner status. We will continue

accepting registration until mid-May. Once registration is closed, participants will be contacted with schedules and play will start the week of June 16th.

So, let's get out there and work up a sweat this summer! Grab a partner and register or contact us and we will work to pair people up. To register, or for more information, contact one of the league coordinators listed below.

Summer Leagues

Team Tennis is Back

Season begins June 15. At least one more captain needed. Join today!

Sheila Bjore's 2019 Team Tennis group is pictured above before an upcoming match.

STPC's Team Tennis league consists of 8-player teams, 4 men and 4 women, with one player designated as team Captain. A match consists of one round of men's or women's doubles and one of mixed doubles, one pro-set per round. Matches generally last about 2 hours and are played simultaneously on 4 adjacent, reserved courts.

The league has consisted of from 4 to 6 teams each year, and has always played all matches

on Tuesday mornings, from either 9:00 to 11:00am or 9:30 to 11:30am. As 4 courts are required for a match, 6 teams (the optimal number) require a total of 12 courts at various locations.

This year, courts have been reserved at Eden Prairie Central Middle School (EP CMS) (8 courts) & Bloomington Bryant Park (4 courts). The season will begin on June 15, but there will be one deviation from past-years scheduling: the last 3 match-

dates at EP CMS will be on Monday (Aug 3, 10, 17) rather than Tuesday.

Captains are responsible for recruiting their own teams, with help from the league Coordinator where needed. This year, team-building will be expedited by responses to the recent survey of interested STPC members, but the Captains have the last word. Player ability levels have been various, with a few 4.0 and 3.0 players, but the majority at the 3.5 level.

Captains match doubles partners for each match, keep team scores, and report them to the Coordinator for team standings.

Players expressing interest in Team Tennis via the survey will be contacted in the coming weeks, by either a team Captain or the league Coordinator.

Heat Stress, Lightning & Thunderstorms

Heat stress, thunderstorms and lightning present times when STPC and captains of groups may need to cancel play. The following general guidelines define when play should be canceled. Please review as everyone's safety is our top priority.

- **Heat Index** - Play should be canceled when the Heat Index may be over 90 (see chart).
- **Lightning** is dangerous. All play should be stopped immediately if lightning is sighted. Seek appropriate shelter, and activity should not resume until a minimum of 30 minutes has elapsed since the last lightning strike. The safest shelter is any substantial building. While inside, everyone should avoid using electrical devices or telephones attached to cords. Avoid any contact with running water in the building because lightning can travel through plumbing. If a building is not available, the next safest alternative is a fully enclosed vehicle with a metal roof and closed windows. Do not touch the metal framework while inside the vehicle. If someone is struck by lightning, call 911 immediately.
- **Thunderstorms:** Do not stand in or near the following during a thunderstorm: open fields, open water, trees, flagpoles, or light poles.

All things COVID considered, weekly Pop-Up season a success.

All things COVID considered, the 2021 weekly Pop-Up season was a success. Albeit with fewer courts per Pop-Up. Thank you to the good sports who used masks and followed guidelines.

A special thanks to the Pop-Up volunteer crew! Wanda Davies and

David Mark managing the Ticketbud registrations, Mark Thompson, Carol Rothe, Mike Dalton and Jim Handy, who managed the Pop-Up events.

Pop-Ups are a great way to play tennis with different members without a season-long commitment.

Two Public Clay Courts Being Built in Minneapolis Linden Hills

The Minneapolis Parks and Recreation Board, in cooperation

with the Minneapolis Community Clay Courts, the USTA, Hennepin County, and the STPC is building two state of the art clay tennis courts in Waveland Triangle Park this summer. These courts will be open to the public and free of charge. Construction

begins in mid June and is scheduled to be completed in early August. Fundraising for these courts is still underway, so if you would like to donate to this effort, please go to <https://www.letsplayclay.org/donate> to learn how you can help.

Outdoor Drill Season to Begin in May!

This summer STPC will sponsor weekly, outdoor drills at three locations (see above) during the months of May through August. The cost for each drill is \$10 and will be led by credentialed tennis professionals.

These drills will begin the first week in May and run through August. Each week you will receive an email notifying you of the following week's drills. You will be able to go into Ticket bud (link will be attached) and buy a ticket(s) for that week.

Last year we had a few glitches and you were all very patient. We are working on a better way to handle reimbursements for drill cancellations due to severe weather, buying multiple tickets

and a better way to handle substitutions.

If you are a new tennis player and are not sure where to start, we would like to suggest a couple of options: InnerCity Tennis summer schedule is not yet available, but call 612.825.6844 for information on Adult group lessons. St. Paul Urban Tennis (SPUT) offers an outdoor summer drill. Call (651) 222-2879 for information on SPUT's summer drills and adult lessons. Fred Wells Tennis and Education Center (the Fort) offers an indoor drill. Call 612.252.8367, ext. 0 for information.

Check out the community education senior tennis offerings in your area. Roger Boyer is

offering tennis lessons for Seniors 50+ that are sponsored by STPC. Check out the Minnetonka Community Education summer catalogue for details. Dil Peterson is offering tennis lessons for Seniors 50+ through the Bloomington Community Education program. Their summer catalogue hasn't been released online. Please check the websites for each of the mentioned sites for updated information.

STPC is excited to provide various options for each and every one of you to find the drill(s) which work best for you. Remember the camp song "meet new friends and keep the old"? Let's add 'have fun and improve your game'. See you on the courts!

Play continues through April

Indoor Group Play 2021

If you're looking for a group of friends to play with regularly, you're in the right place!

Get Playing with a Group in Two Easy Steps

1. Locate groups that meet at a convenient time, location, and at your skill level.
2. Contact the captain and let them know you are interested in playing.

DID YOU KNOW? Group Doubles Play occurs at six locations across the Twin Cities at different times and skill levels. Senior Tennis negotiates deals with tennis clubs so in most cases you do not have to be a member of the club.

INDOOR GROUP PLAY is made up of Men's, Women's, and Mixed Doubles. Groups have set players who agree to play at an appointed time and location, because court time costs money for indoor play.

- "Regulars" agree to play every week or on a regular basis. "Substitutes" get called when a regular can't make it to a scheduled group play session. Subs may say yes or no to each request, depending on their availability.
- After finding a group you are interested in joining, contact the captain (contact information is located below). If you want to be a regular, ask if spots are available. Don't be discouraged if no regular spots are open. As a sub, you will likely get called often and can move into a regular spot when one opens up and you can sub for multiple groups.
- Be sure to show up. Once you've got your tennis group play date set, make sure you come. The whole group is counting on you!

STPC Financial Health Excellent

STPC maintains full transparency regarding our finances by including profit/loss statements, balance sheets, and total assets for over a decade on our website. To view this information, go to seniortennismn.org, and click About Us and then Financials.

Our current financial condition is excellent, despite our declining membership base. Our annual expenditures should be approximately equal to our annual revenue this fiscal year.

Welcome, new members!
