Dear Members:

We'll all be playing indoors very soon. If you haven't signed up to play indoors, and want to, consult the enclosed tennis schedule and call the person in charge of the court where you'd like to play, to make arrangements. Those that were playing at the Deephaven City Hall Courts are now playing at the Mtkz. Country Club, Mon. 4:30 - 6:30pm. Ed Olson is supervising and says they'll play outdoors till the snow flies.

Would you like to get away from it all during the beautiful Fall season and yet not miss any tennis? Beautiful Telemark Lodge in Cable Wis. is giving our club reduced rates for lodging and unlimited tennis. They have 4 outdoor courts surrounded by autumn color and 4 indoor courts. This offer runs during Oct. and Nov., Mon. thru Thur. and the cost is \$22.50 per person, based on double occupancy. Telemark has a toll free no., 1 800 826 4011, and you may call and get all details.

Medcenter Health Plan has purchased 100 free memberships for our club and will sponsor a "Medcenter Health Plan Social Tennis Event". This event will start Nov. 12 and run for 5 weeks. Medcenter will be publishing this event in their monthly paper. Every member who enters and plays 3 sets will receive a beautiful ribbon, with trophies going to the two participants who win the most sets in mens, womens or mixed doubles. No need to set up play with opponents. Just play your sets with anyone from the court you normally play at. Your partner does not have to have signed up for this event. To enter this event, send \$1.00 to Eileen Sylvester, 9926 106th Place, Maple Grove, Mn., 55369. When you have won a set call Eileen, 425 0563, and let her know. Remember, this is a social tennis event - if you need further explanation call Ruth 533 5793.

Is there a retired accountant in our midst? Our club has grown to the point where, at times, the treasurers job is too much for one person to handle. If you've had accounting experience won't you please offer our treasurer your assistance? We also need help in activities, phoning, helping with beginners lessons, handling tennis events and tournaments, and sales promoting. We've discussed the idea of forming a welcoming committee to follow up on new members, but who is going to help us? If you've received any enjoyment and benefits from your club, won't you please offer a few hrs. a month of your time? Call Ruth 533 5793.

Computer addressed labels are so common these days, but did you notice we now have them? Clara Carlson, of Edina, has volunteered her time and computer to do this for our club. "Thanks" Clara.

We welcome these new members into our club:
