REDUCE THE COST OF YOUR AUTO INSURANCE

Would you like a discount on your auto insurance and improve your driving skills at the same time? All members are eligible to take the AARP-sponsored course, "55 Alive." If you are 65 or older, after completion of the course Minnesota State law as of January 1, 1985 entitles you to a reduction of your premium charges for three years. The discount may vary among insurance companies, but the Minnesota Insurance Information Center told Your Editor many of them allow 10%.

Member Tony Finnell has arranged for the course to be given August 19 and 20, 1:00 to 5:00 p.m., in Community Room A of the St. Louis Park Recreation Center, which is adjacent to our West 36th Street courts. This is one of the approved courses which, on completion of the eight hours' driver improvement training, earns you the certificate that will entitle you to the premium discount.

Our special cost is \$7.00. The program will be available to us only if 25 or more people register.

Please register by sending your \$7.00 check, your name, address and phone number to:

OLD LOG THEATER NIGHT
September 18

Let's all get together out at the Old Log and see the play, "Alone Together." It's a story about a middle-aged couple who have three sons living away from home and then, lo and behold, they all come home to roost.

The play is at 8:30 Wednesday, September 18. A member of Senior Tennis Players may bring a guest. We are getting a discount rate of \$6.50 per ticket. Checks must be received by me before September 14. No refunds after September 13.

For those interested in refreshments after the performance, we will meet in the Black Pearl Lounge at the Hopkins House.

I'll be at the Old Log by 7:45 that evening to pass out the tickets. If you have questions about directions or anything else, call me at 529-8903. Please make your check payable to Senior Tennis Players Club, Inc. and mail to:
