## TENNIS CLUB MEMBER OF THE MONTH

For too long I have been getting too much undeserved credit for the successful concept and development of the Senior Tennis Players Club and the good it's doing for our members.

To introduce you to those who are contributing more than I to our progress, I hope to be able each month to extend congratulations and give credit to those who are making our club worthwhile for seniors.

MARY KAMINSKI--Communication being so important, you have made it more meaningful and valuable as newsletter editor. For the immense amount of time spent each month and for the dedication that you devote to getting out a newsletter second to none, my sincere congratulations to you, Mary, and our heartfelt thanks for your great contribution.

Jack Dow,  
President

## ADS

We have had requests to publish ads in our newsletter. The Executive Committee has recommended that we do this for members only, starting with this issue, at the following rate: One time, \$2.00 per line with a limit of 4 lines (40 spaces to a line). Mail ads to the newsletter editor together with a check payable to the Senior Tennis Players Club, Inc.

### YOU CAN HELP

We are planning publicity in the form of interviews by the local newspapers, radio and TV media. It would appear that we will need help from volunteers to hold interviews for us. If you are interested in doing so, please call Jack Dow, 922-9128.

### CONNORS-DOW

As a help to the Senior Tennis Players Club, Jimmy Connors played tennis recently with Jack Dow at the Jimmy Connors Tennis Club near Sanibel, Florida. Jack thoroughly enjoyed the game, found Connors friendly and very receptive to being made an honorary member of the Senior Tennis Players Club for 100 years.

### IN THE NEWS

The Minneapolis Star Tribune had a front-page photo of our own Percy Hughes, tennis pro and regionally famous saxophonist. He was honored by Governor Rudy Perpich and presented a proclamation in the State Capitol rotunda for his accomplishments since the early 1940s and his contribution to jazz and music education in the state. Congratulations, Percy, we're proud of you!
