## LIMITED OPENINGS FOR MAY 29 TENNIS/BREAKFAST

We already have had events and get-togethers at the Northwest Racquet and Swim Club, Sports and Health Club, Kenwood Tennis Club, Brookpark Tennis Club, Tonka Tennis Club, etc., but to familiarize us and visit all the tennis clubs our Vice President of Activities, Mandy Johnson, has scheduled a breakfast meeting at the brand new Flagship Club on Thursday, May 29.

The Club has turned over all the tennis courts and the dining room to us. Tennis will be available from 7 to 9 a.m. and breakfast from 9 to 10 a.m. The dining room faces the courts so we will be able to see the Volvo tennis tournament in progress from our breakfast tables.

Tennis will cost \$5.00 per person. Breakfast of fruit, Eggs Benedict or Eggs Florentine (eggs and spinach on toasted English muffin) and coffee is priced at \$6.15 per person, including tax and gratuity. Bloody Marys and Screwdrivers (orange juice instead of tomato juice) will be available at \$1.95 per drink.

Unfortunately, only the first 60 to send in their checks will be accepted because of the limited space and courts. Be sure to INCLUDE and SPECIFY tennis, breakfast, and drinks you prefer in the total amount of your check reservation. Send your check made out to the Senior Tennis Players Club, Inc. to:

Mandy Johnson  
5200 West 28th Street  
Minneapolis, MN 55416.

Spouses are welcome, and other activities will be available for them, if nontennis players.

We are inviting members and enthusiasts Boone, Erickson and Bob DeHaven as well as Steve Cannon to attend the breakfast. We are going to try to arrange a match for the four of them and try to have DeHaven emcee the event.

The Flagship Club is in Eden Prairie two blocks south of the stoplight at Prairie Road on 5W. I'll see you there, but don't delay in sending your reservations.

## MEMBERS OF THE MONTH

Percy Hughes and Virginia Morgan are two of the unsung heroes of the Club. Both of them for several years have been dedicating many hours of great effort in making our entrants' lessons and drills as meaningful and successful as they have proven to be.

No two people have meant so much to our progress and value to the senior community as these two have, and our enthusiastic appreciation and thanks are extended to both of them. This program is one of the most important ones we have. Well done and keep it going, Virginia and Percy!

## TENNIS TIP

By Percy Hughes

For good ground strokes, keep your head down. This will keep your shots down. This will help you transfer your weight properly from your back foot to the ball of your front foot as you swing forward. You'll be surprised how much power goes into your shots as a result!
