JUNE/JULY 1986

MEMBER OF THE MONTH

CLARA CARLSON--who spends as much time every month as anybody in the club, in helping us with our communications to ensure accuracy in getting them out on time and all the things that are important to us; i.e., devoting her time to our Phyllis Wheatley project and the nursing homes project, no matter how busy she is. Her devotion to tennis is exceeded by no one. Our heartfelt thanks, Clara, and believe me this is very sincere recognition for great help.

BEGINNERS' CLASS TO PARTICIPATE IN NATIONAL TENNIS WEEK

Percy Hughes and Virginia Morgan will be aided by Jan Johnson and some other USPTA teaching pros in a drill program on the serve on Tuesday, June 17, at Wolfe Park during the regular drill time from 10 to 11:30.

This is a special event in celebration of National Tennis Week.

COME AND SEE WORLD CLASS PLAYERS!

Minikahda Invitational Tennis Championships
Minikahda Club, Minneapolis
July 11-13, 1986

No other major clay court events are scheduled that weekend; this plus the increased prize money should assure participation by some of the top clay players.

Last year the tournament was won by Stefan Eriksson of Sweden; runner-up was fellow-countryman Mikael Pernfors. Both players are expected to return. With or without them the event is a fun tournament in a beautiful setting and a great opportunity to see world class players without traveling great distances.

All Senior Tennis Players Club members are invited to participate as patrons (\$60 - two all-events tickets; or, all events tickets are available before July 4 for \$10 each. After July 4, they will be \$15 and can be purchased at the gate. Daily tickets are also available at \$4, \$8 and \$8, for Friday, Saturday and Sunday, respectively, at the gate.

For patron tickets or advance all-events tickets, please mail your check before July 1 to: Northwestern Tennis Patrons, 3769 Towndale Drive, Bloomington, MN 55421. Patron and all-events tickets will be mailed before July 4.

Qualifying events, to establish two local qualifiers to compete with the six international players for the prize money, will be held at the Highway 100 - North France Club July 8-11. Events at Minikahda begin at 1 p.m. on Friday, noon on Saturday, and 1 p.m. on Sunday.

PARTNER MEMBERSHIP

We were inspired by the fact that as a result of mentioning it in our newsletter, our friend and helper, Percy Hughes, sent in \$100 and said he was very happy to be a part of it.

All of you others that feel the same way about Partner Advisory Board Memberships, make out a check for \$100 and send it to Charlotte Ryden, Treasurer, 7160 Cahill Road, Apt. 127, Edina, MN 55435.

YOU MADE MY DAY

Over 200 guests showed up at the Art Show reception on May 1. I was ecstatic about them, and they seemed to be ecstatic about my paintings.

My deepest thanks to all those wonderful friends in Senior Tennis who sent me the gorgeous Bird of Paradise plant in conjunction with my Hamline University Art Show. Hamline asked if they could have a painting for their permanent collection at the University. Also, an art dealer asked me to have an exclusive with her so that she could make prints of them. So far, I have sold four paintings.

TENNIS TIP

By Percy Hughes

Singles Strategy

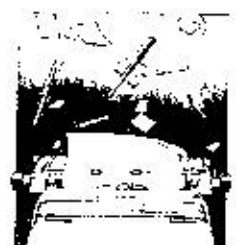

Subject: When To Move Up To the Net

When at your base line, concentrate on moving your opponent around so as to force a short return. When you're able to move in on a short ball, stroke a deep approach shot, preferably to the backhand side, then continue to move up to the net for the "candy" volley.

IT WAS REALLY FUN

To all you regular players and substitute players at the Nicollet Tennis Center on Fridays from 9 to 11, my sincere thanks. Because of your cooperation, an enjoyable time was had by all, including me.
