TOURNAMENT NEWS

The September mixed doubles tournament was a huge success. The winners are listed separately in this newsletter. Thanks for your wonderful response.

We are now privileged to announce another tournament just like it...mixed doubles...entry deadline, October 10. Let's make it bigger and better.

We'll remedy a lesson learned during the last tournament. Several husband/wife teams could not play together because they were in different age groups. Now you can add your ages together, divide by 2, and play in the resulting age group. Hopefully this will attract many more entries. This time the fee is only \$4 per person, or \$8 per team.

Our new sponsor for this event is the Kenwood Active Retirement Seniors Community. This company builds high-rise apartments and condominiums for seniors. They will sponsor 100 new memberships, which will include new members from their own organization.

Play will be on indoor courts, and the finals will be played October 28, 7-9 a.m., NW Tennis Club, with a spectators' balcony of our members to watch the exciting finals. Most of the finals in the last tourney went 3 sets, so you can see how evenly we were matched.

Don't put off entering--it can be fun. Let's have over 100 entries! Ruth Van Hilst will run the tournament, as usual.

Tournament Chairman

You can use a simple A-B-C system and rate yourself:

- A - Better than average
- B - Average
- C - Beginner or below-average player

There's much interest in the National Tennis Rating Program. Space does not allow printing the NTRP categories this month, but we will publish them in full next month. We will also have more tennis tips, another list of new members, and lots more. Watch for the November newsletter.

OUR NEW ADVERTISING PROGRAM

Elaine Peterson has given generously of her time in soliciting for ads, and with success. We would appreciate more members volunteering to do some calling and getting advertising. Remember, ads in this newsletter are intensely read by 3,000 dedicated seniors in The Cities, with twenty times less competition of advertising, and create good will by being a sponsor of the issue each month. Jack Dow can get you started. Call him at 922-9128.

CREATIVE THOUGHTS FROM ELAINE PETERSON MORE GREAT TENNIS...while simultaneously contributing to your favorite charity!

HOW? We give you advertising space in our newsletter at a very nominal fee (see rates below), which you use in promoting the function, fund-raiser or program of your club or organization. A welcome donation to them! You then give us your nominal fee which we use to promote a continuing program of tennis drills, pro instructions and tennis events for you. A welcome support for us!

HIDDEN BONUS: Bring the newsletter with your ad contribution to the next committee meeting of your club or organization and you will forever be excused, out of gratitude, from the next church lawn-rake, your grandchild's Scout Bake Sale or your college alumni fund drive.

There are many things in our lives that can use our support, and here is a two-for-one opportunity to give it.

NEWSLETTER AD RATES: \$15 - quarter page; \$30 - half page; \$60 - whole page.
