Isn't it about time you found out what the new tax law REALLY did to your IRA?

True, the rules have changed. But the changes aren't as bad as you may think:

- [] YOU MAY STILL QUALIFY FOR CURRENT TAX DEDUCTIONS.
- [] YOUR IRA WILL STILL GROW TAX DEFERRED. Over the life of an IRA, that can add up to thousands of dollars in tax savings.
- [] YOUR IRA IS STILL ONE OF THE BEST WAYS TO CONTROL your own retirement future.

To find out more about how the new tax law impacts your IRA opportunities, call or write for our free brochure, *"Why Me? Why Now? Why At All?"*:

APRIL TENNIS PARTY

TENNIS CLUB MEMBERS OF THE MONTH

This month's members of the month are two lifetime members of our club, Jack Thommen and Nick Pappas, who are organizing the trip to the Wimbledon Tennis Matches.

Jack Thommen is a Community Education Manager for the Minneapolis Schools and has been a vice president of our club.

Nick is currently on the National Senior Board of the USTA, past president of the Midwest Tennis Association, regional delegate to USTA and is a top tennis player in our local club.

They have put together a package that will result in substantial savings for our members. Please give them your help and cooperation in making the Wimbledon trip a success.

Jack Dow,
President

If you wish more information on the Wimbledon trip call Nick Pappas at 926-2254, Jack Thommen at 348-4125 or Jack Dow 922-9126.

Because of popular request we have scheduled another tennis party at the Midwest Tennis Club on Saturday night, April 4, from 8:00 to 12 midnight. We'll be playing tennis according to a rotating schedule (mixed doubles), starting at 8:00 p.m. The charge for tennis will be \$4.00 for two hours, and the charge for food will be \$3.00.

If you would like to come just to socialize, please do so. In that case, the charge will be \$3.00.

Directions to Midwest: Exit from 100 going south at 77th-Industrial Boulevard. Go west on Industrial Boulevard (right) 3/4 mile to Bush Lake Road. Take another right to 7300. Midwest is at the end of a dead-end street on the left-hand side. Go directly to the party room.

Your check is your reservation. Please make check payable to the Senior Tennis Players Club, Inc. and mail to:

TENNIS TIPS
By Percy Hughes

Learn to make your "other hand work for you. Your non-racquet hand can be used to adjust the angle of your racquet face. This hand should be holding the racquet at its throat. At this position it can help you change grips and also save some wear and tear on your racquet hand between rallies.

For the beginning server:

1. The starting position is ball toss shoulder to the net.
2. Placement of the ball should be to the right of the leading foot and about 12 inches in front of the leading foot. (For right handed servers.)
3. Racquet is in "back scratch" position. Hit up and forward.
4. Follow through on the left side of the body.

These tips might not work for a McEnroe, but for a beginner it is a good way to start.

SENIOR TENNIS CAMP

Save the week of August 8 for the Senior Tennis Camp which will be held at Mankato State University. There will be two four-day sessions - one for A & B players and one for C & D players. More information will be in the next month's newsletter.

PERCY HUGHES WINS AWARD

In January Percy Hughes was voted "1986 Rookie Teaching Pro" of the three state region. Percy asks that we share this honor with him as "without you this would not have happened."

DOUBLES TIPS

One and one-half hour sessions at Normandale Sports & Health on Friday afternoon are very worthwhile. Adeline Levin, Gene Roeder and other senior volunteers are helping with doubles tips. If interested call Chuck Supplee 888-0551.
