OCTOBER 1987

Message from the President:

This article could be entitled "Manna From Heaven." Just when we began to worry that we may be short of funds for next year's beginners lessons, the American Tennis Federation, which has a fund for the promotion of sports participation, made us a grant of \$5,000 to be used for this purpose. In addition they sent us a huge shipment of Wilson tennis balls which we will be using as needed in our tournaments, for beginners lessons, and for rewards for various services performed for the club.

OUR HEARTFELT THANKS GO TO THE AMERICAN TENNIS FOUNDATION AND TO THE WILSON COMPANY.

This great gift to our club was due to an interview between Jack Dow and the President of the Wilson Company in Chicago where Jack went to discuss chapter development.

If by any chance you should happen to be planning a Christmas shopping trip in New York, consider going between the dates of November 16 and 22. This is the time of the One Million Dollar Virginia Slims Tennis Tourney which will take place in Madison Square Garden.

If there are 25 or more interested, we can get discount rates for the matches. Call 922-4327 and let me know.

OCTOBER TENNIS PARTY

The newly opened Hiway 494-Crosstown Racquet Club is the site for our first tennis party of the season. The date is Saturday night, October 24, from 8 p.m. to 12 midnight. We'll be playing doubles, arranged by Ned Sunday according to player-ability levels. The charge for one hour of tennis and the food will be \$7.50.

If you would like to come just to socialize, please do so. In that case the charge will be \$3.50.

The Hiway 494-Crosstown Club is located at 6233 Baker Road in Eden Prairie at the junction of Hiway 494 and County Road 62W (Crosstown Highway). Go directly to the party room.

Your check is your reservation. Please make check payable to Senior Tennis Players Club, Inc. and mail to:

Ginny Owens
3105 West 60th Street
Edina, MN 55410
927-5525.

Also, please indicate on the face of the check your playing level: A, B or C. We can accommodate 96 players. Get your reservation in early. The deadline is October 15.

When organizing the Minneapolis league director Connie Custodio, along with captains George Anderson, Gene Gibson, Ed Holzacker, Joe Lewis, Ted Shuler and Chuck Supplee stressed that our senior competitive spirit be laced with a lavish spirit of fun. That's a tough assignment for any senior wanting to play tennis--as many have demonstrated, especially under the watchful eyes of such competitive captains.

Connie has been making surprise appearances at drills, demonstrating his expertise while subtly making each play a learning experience even for some of the more advanced players.

Matches got under way at Augsburg College, Valley View and Wolfe Parks on September 5. All games are played outdoors on Saturdays at 8:00 a.m., with a total of 80 Seniors participating.

The great spirit of our Senior Tennis group is their spirit of fun as well as competitiveness and we all hope to do Connie and our captains proud...even if we lose!!

An awards/pizza party is planned for one of the final tournament days--please be sure to contact your captain as to date, time and place.

Ginny Heinzen

The Saint Paul group has two 16-player leagues meeting Saturday mornings at the Phalen Athletic Club from 8 to 10 a.m. More women substitutes are needed. Call Bob Western, 735-5761, or Frank Beutel at 426-2440.

Your response to the Name the Newsletter contest was terrific--166 entries so far. Roland Larson outdid everybody by sending in 38! I prepared a list of all the entries and submitted it to the Executive Committee at its meeting September 10. Because of the great response, the Committee wanted more time to study the names before selecting a winner. So you have a reprieve.

If you have more ideas for a name that's catchy and tennis-y, mail it to me right away. I'll accept entries until October 24, prepare a supplemental list and send it to the Committee, and we'll see what happens at the November 12 meeting.

Hang in there. Someone's going to win a Prince racquet!

An updated schedule for the indoor playing season is included in this issue for both permanent court time and beginner lessons and drills. Please notice the new format, as suggested by Al Mohr. Which format is easier to follow? We'd like to know. Call Al Mohr at 722-8339 or Mary Kaminski at 781-3271 and let us have your opinion. Thanks.

The Executive Committee is looking for one or two people, preferably two, (one of our couples?) to prepare the newsletter for mailing each month. What's required is placing labels on the newsletters, sometimes stapling, counting and totaling units in bundles that have been secured with rubber bands, placing the bundles in sacks, completing a simple form, and taking the sacks to the Post Office. If this kind of service is just right for you, please call Mandy Johnson at 922-4327 and become a valuable volunteer.

TENNIS TIP

By Percy Hughes

PROPER TENNIS APPAREL WEAR

Because many tennis players have come through the recreational side rather than the competition side of the game, they are unaware of the need for supportive clothing.

We strongly urge women to utilize an athletic support bra and for men to wear an athletic supporter for protection and comfort while playing.

ADDITIONAL NOTE

Because of the nature of tennis being a social game, the addition of these undergarments will help prevent embarrassment to other players on the courts.

BEGINNERS, PLEASE NOTE

The St. Paul Indoor Tennis Club at 600 DeSoto Street in St. Paul is a possible location for beginner lessons on Tuesday afternoons by Virginia Morgan. If you are interested, let Virginia know by calling her at 459-6059.

DON'T WAIT

There's court time open now at Club Williston (formerly Tonka) Fridays, 1 to 3 p.m. Call Bill Storie, 428-2052, for details.

EVERYBODY'S TALKING ABOUT...

"Exercise helps me get rid of my frustrations. I can smack that ball and it feels good."

"I was a dutiful wife and mom for 35 years. Now I'm doing something for myself."

"I have degenerative arthritis. Tennis keeps me going--I'm afraid to stop."

"I thought I'd enjoy tennis so I took some lessons. After the lessons, there was no one to play with. I heard of and joined the Senior Tennis Players Club and have been enjoying tennis ever since. VIVA LE CLUB!"

"Senior tennis playing to me is a wonderful vehicle in which to make up for joys I ran past as a young person."

"As far as I'm concerned, membership in Senior Tennis is terrific. It's a real fun sport, it provides you with exercise all year, both indoors and outdoors, it gives you the opportunity to meet new people, many of whom have become good friends. I could go on and on, but these are my highlights."

"Friends. The friends I have made mean the most to me. Sometimes we go out to lunch after our games."
