TIMES

IN THIS EDITION....

Note the update of the 1989 Schedule for Outdoor Courts: Lakewood hours are changed; Mariner hours are changed; play at Royal Oak has been deleted; The Saint Anthony courts have changed morning hours; Beth Kelley and Annette Scherer have agreed to be telephone resources for Wolfe Park; beginners' lessons and drills remain the same. Please save the schedule in this issue for yourself.

If you still have the schedule from the May edition, why not make the few changes on it and pass it along to your friends who are tennis players but are not members of STPC. Every day is PROMOTION DAY and new members are always welcome.

More players are needed--we can accommodate them--with 1200 members more should be taking advantage of the reserved, free use of outdoor courts.

For instance, Al Holter says more players are welcome at Edina High on Saturdays and Sundays from 4-6 pm. Call Al at 537-1843 or Al Anderegg at 377-1685. They'll be glad to talk to you. The Edina courts are south of Crosstown 62. Exit on Tracy Avenue, go south on Tracy about one mile; the courts are east of the High School about two blocks north of Valley View Road.

The Saint Anthony courts on Silver Lake Road near 33rd are not filled on Mondays and Wednesdays from 9 to 11. For answers to your questions, call Mary Kaminski, 781-3271.

JOIN IN THE CELEBRATION

You are invited to participate in USPTA National Tennis Week. All our pros will be at Wolfe Park Thursday morning, June 15, at 9:30 for a few hours to give you stroke lessons and drills. Bring your best smile because the media will be covering the event.

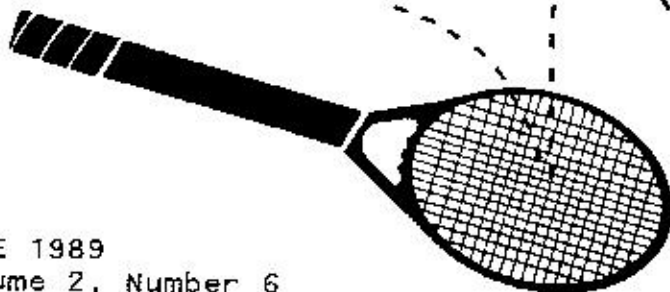

Players of all levels are welcome so come on out on the 15th and join in the fun.

THE NEW SPIRIT OF AGE

The popular local upbeat magazine, ACTIVE SENIOR LIFESTYLES, in its May issue honored seven outstanding Minnesotans with its first-ever ASL Achiever Awards. The recipients are people fifty and over too busy--and having too much fun--to retire. One of the seven given editorial tribute is our founder, Jack Dow. Did you know that Jack was once ranked number six in Minnesota as a tennis player.

Today, approaching his 83rd birthday, Jack still plays tennis every day and is currently busy planning and preparing for the Senior Tennis Hall of Fame and the Executive Hall of Fame annual meetings in Paris at the time of the French Open.

Congratulations, Jack, from all of us in STPC and a HAPPY, HAPPY BIRTHDAY!

TENNIS TIPS

By Virginia Morgan

Be sure to call the score so your opponents can hear it! Make all calls loud and clear; at times hand signals are helpful. Your opponent has the right to know the score. As a receiver who wants to know the score, the hand could be held up, the score could be asked and the serve not accepted or returned until the score is heard. Should it ever happen (and it does) that no one knows the score, it is a good idea to go back to the last score remembered and agreed on.

If you're unable to call a ball in or out as it was too close to the line and your partner is unsure, give the point to your opponent. It's your responsibility to call the balls on your side should it be on the serve and you are receiving. Refrain from saying to the server "Take two."

A "let" can be called by any player. The call is "Let, first serve" or "Let, second serve," whichever applies.

The following items are helpful when playing outside: water, towel, hat or visor, sunglasses and sun block lotion.

Reminders

Be sure to do some stretching exercises before you play.

Never run backwards to hit a ball going over your head.

Don't play with a ball lying on the court.

Three trophy winners at the Tennis & Crumpets Tournament Benefit, sponsored by the Methodist Hospital Foundation, were STPC members. Irma Bong and Henry Dorff won the Seniors Division and a consolation winner was Bess Marmas.

Matched Singles Tennis Clinic with a stroke focus will be held Saturday, June 24, at Blake School from 9 to 3. \$14 per person includes lunch. For information, call Lee Johnston, (w) 544-3503; (h) 537-0441.

PROS BATTLE CANCER

The 1989 Pine Tree Apple Tennis Classic takes place August 11, 12 and 13 at Dellwood Hills Country Club in White Bear Lake. The NWTAsanctioned, mixed doubles event is not only a fundraiser but also a premier tennis event drawing talent like Bill Sternard and Janet McOutcheon, Ernie Greene and Dee Dolny, and Mike Ach and Jenny Moe. Thirty-two teams will vie for \$3500 in prize money with all tourney proceeds benefiting cancer research at Children's Hospital in Saint Paul.

This year, tennis fans are being offered a chance to participate. A qualifying event is set for August 7-10. Anyone can enter and the top two teams of mixed doubles will be included in the draw. Along with three full days of topnotch tennis for \$10, spectators are treated to a tempting array of food, drink and merchandise.

For additional information, call Ticket Co-Chairs Marty Dezellar, 426-3789, and Judy Kays, 429-8101.
