Flagship Brunch Reviewed

One member came from as far away as Fargo for the brunch on August 11. If you missed it, you missed a good one. It was a smash. Getting there before seven in itself was an experience. The daylight was fresh and the air cool and quiet, with thick fog hanging in low spots. One had the feeling the deserted roads were yours. And the usually full parking lot seemed reserved for you--you could pick your spot.

Ethel Trebil in her new office has taken the reins of "activities" with aplomb and if the brunch is an indication, the activities for the coming year will be outstanding. Ethel made name tags for all, supplied new balls, and arranged for lockers so we could tidy up before brunch. Some members were heard to say, "This is the best."

Tennis arrangements were covered by Bill Storie. Players were issued rotation cards that provided smooth change-overs through four half-hour rounds of tennis, with new courts, partners and opponents for each round. As one player said of the cards, "The printing is large enough for me to read without my glasses." The play was organized so all players played on both indoor and outdoor courts. The weatherman cooperated beautifully.

The Flagship, as usual, came through with a myriad of culinary delights. There were a fruit and salad bar, Belgian waffles with strawberries, eggs Benedict, quiche and other gastronomical delicacies too numerous to mention. All of this was topped by a large dessert selection. Many members came for the brunch alone.

We can look forward to a good season, so watch the **TIMES** for coming events and respond early to insure your reservation.

Register for the 1991-92 Indoor Playing Season

HOW AND WHEN DO I SIGN UP?

Permanent court time reservations are being accepted NOW for the indoor playing season which starts in September for some courts, October for others, and generally ends in April, 1992. Check the schedule in this SENIOR TENNIS TIMES, select the location, day and time that suits you best, then call the captain to sign up. Permanent court time is a commitment to play for that period EVERY WEEK.

WHAT IS THE COST?

The cost for permanent court time varies by location, but averages \$5 per member for two hours, which is 40%-50% less than the usual cost. And without the hundreds of dollars in membership fees.

WHAT HAPPENS IF I TAKE A VACATION OR A TRIP OUT OF TOWN OR IF I HAVE AN EMERGENCY AND CAN'T KEEP MY COMMITMENT?

Players with permanent court time must be prepared to provide a substitute if they can't play during their committed time. When you line up a substitute, be sure it is understood that if they don't show, you are responsible for payment of the court fee, and you face the disappointed players who counted on that fourth person for doubles.

WHAT IF I'M NOT INTERESTED IN A WEEKLY COMMITMENT, BUT WOULD LIKE TO PLAY NOW AND THEN?

Call the court captain NOW and sign up as a substitute. Substitute lists (and they're important) are furnished regular players by the captain, substitutes are in demand, and it's likely you will be called.

I STILL HAVE QUESTIONS. WHO ANSWERS THEM?

Court captains can give you details on starting dates, fees, rotation of playing, etc. Just remember, all captains may not operate the same.

I'M NEW IN THE CLUB AND WAS TOLD I'M ENTITLED TO FREE LESSONS. TRUE?

Yes! An important objective of the club is to encourage more people over 50 to learn tennis. New members are entitled to 12 free sessions of tennis instruction. Yes, 12 free sessions.

WHERE ARE THESE SESSIONS HELD?

A schedule of lessons and drills is listed in this SENIOR TENNIS TIMES. You don't have to register or commit to an entire season--just pack your racquet and show up. Balls are provided. If you have questions, call the instructor listed--the instructor will be glad to talk with you.

AT-A-GLANCE

Facilities Chatter

As you may or may not know, The Williston facility has one court for nontennis use, so this has reduced courts available to us.

The Greenway Club, located in the Hyatt-Regency Hotel in downtown Minneapolis, has some space available in this time of shrinking space. The problem is parking--the cost is high at the site. I've talked to one last-year player, and he drove to tennis and parked two blocks away at a cost of only fifty cents. Call me if you're interested.

In Saint Paul, we have lost Phalen (closed) and probably Medalist.

--Bob Western

SOUTH CAMPUS AND SUNRISE

The last day of tennis at South Campus, White Bear Lake, was on Friday, August 23. The courts at Sunrise School, Cedar and Cranbrook, White Bear Lake, were made available on Monday, August 26, until Friday, October 11. Playing time on a drop-in basis is from 7:30 to 11:00 a.m.

LAKWOOD COMMUNITY COLLEGE

Courts at Lakewood are reserved for seniors on Saturdays and Sundays as follows:

Saturdays: September 7, 14 and 21 from 7:30 to 10:00 a.m. No Saturdays are available after September 21 at Lakewood, but SUNRISE is reserved from 9 to 11:00 a.m. on September 28, October 5, 12 and 19.

Sundays: September 8 and 15, 7:30 to 10:00 a.m.
September 22 and 29 and October 6, 13 and 20, 9:00 to 11:00 a.m.

Questions? Call Frank Beutel, 426-2440.

HIT 'N GIGGLE Women's Summer League

Summer has ended for the 1991 season for us, our second annual 12-week summer session. There were four teams captained by: Mary McNeil and Joyce Hautman; Roz Bernstein and Ronnae Wagner; Bonnie Schoen and Carol Howard; Gigi Stangler and Hedy Loula. We had some changes in personnel, but we hung in there and had a great time.

We had four court locations: Dred Scott, Carpenter Park, Brookview and Maple Grove. All teams played together on the closing day, August 21, at Carpenter Park, and had a scrumptious picnic brunch at Wolfe Park to end the season.

This is a **THANK YOU** to all the captains and players and an invitation for any of you who wish to join us next year. We are tanner, healthier, and play better tennis. And we lasted twelve weeks.

--Shirley Pratt, Coordinator

Stress...

Ease up on your self-expectations. You don't have to be "everything to everybody." You don't have to be perfect at everything you do. Be kind to yourself. Talk to yourself as if you were your best friend instead of a cruel critic.

Twelve Unwritten Rules of Good Courtmanship

The first four Unwritten Rules of Good Courtmanship were published in the July and August SENIOR TENNIS TIMES. To continue--

5) AVOID STALLING

While it is hardly necessary to sprint around the court retrieving balls for the server, it is not considered good form to be a "creeper" either. You should get back into position for receiving the next serve as soon as possible after a point is completed.

6) CALLING SERVES

In lieu of an umpire, it falls upon the receiver of the service to plainly call close serves, whether good or out. And in the case of doubt it is, of course, good tennis manners to give your opponent the benefit of the call. Strictly speaking, the receiver should not touch any service which does not fall good. In case of any misunderstood call, or any circumstance outside of normal play which throws the server off his or her balance, it is customary for the receiver to offer replay of the point. Also, offer to replay the point if during a rally there is interference caused by ball rolling on your court.

7) REPLAY OF FAST SERVICE

Before delivering the service, it is the responsibility of the server to be sure the receiver is ready and to offer replay of the service if any doubt exists. When receiving, do not return the ball unless the serve was good and you intended to play the point.

8) CROSSING COURTS

When one of your balls wanders over into an adjoining court where play is in progress, never attempt to retrieve it during play. Wait until the point is completed; then retrieve the ball quickly or if it's convenient to a player on the other court, ask for it with a polite "thank you." In the same regard, if a ball from another court turns up on yours, it is proper for you to return it at the first break in your own play.

MEMO TO SENIOR TENNIS CAMPERS

Thanks to all of you, this year's tennis camps were a success.

The teaching-staff of Lois Nordman, Ernie Greene, Percy Hughes, John Arp, Virginia and Cathy Morgan, Sandy Kelly, Marc Redmond, Karen and Carol Wahl and Belmar Gunderson was the best we've ever had, and they all told me it was one of the most fun times teaching. Personally, it was the greatest three weeks of my life, and I wouldn't trade them for the world.

With our greatest camp director, Chuck Supplee, Ginny "Cereal" Heinzen, and the good Lord willing, it would be my honor and pleasure to be with you again next year.

The Second Annual Senior tennis party was held July 8 at Lone Lake Park featuring Paul Weinreis' antique wooden tennis racquets, some with holes and strings broken - plus all white tennis balls of vintage age! The participants wore all-white clothes of the 20's. Claire O'Connell and Audrey Petri Zinn won trophies for the best costumes of the 20's era.

After tennis, everyone enjoyed a brunch in the Park. The day was hilarious, but amazing that some well executed shots were accomplished with the stringless and warped racquets - plus dead balls.
