Time to renew your STPC membership!

It's time once again to renew your membership in STPC for 1994. Please fill out the renewal form that's included in this issue of the Times.

For this issue only, we're sending a Times to every STPC member, even if you married couples asked us not to. The reason is that every member needs to receive their own renewal form to fill out. So, please, *one person per renewal form!* We promise, next month you'll only get one issue per household as you requested.

Please fill out all the sections. They're pretty self-explanatory. We really need all this information to serve you better.

Attention, lifetime members: You don't have to pay dues, but please, we need you to complete the form and sign the Membership Conditions. Don't forget to check the "Lifetime Member" box when you return your form.

Next March, the 1994 Membership Roster will be mailed to all members in good standing. Your name will be in the roster only if your dues are paid. So, don't delay—renew now!

renew for 1994!

BASELINE

BY JOHN STECKLEIN,
STPC PRESIDENT

As I write this in early October, the realization is setting in that my tenure as president is already half over. The bylaws say that in November, I must appoint a nomination committee for new board members and officers for 1994-95. The committee will receive and consider names for nomination to replace members whose terms will be expiring, and to fill vacancies created by resignations of other board members. The bylaws also state that each board member may serve three years, staggered to assure a complete board turnover every three years. Terms may be extended beyond three years—and that has occurred in the past, when new candidates could not be found or when a director was doing an unusually outstanding job. However, I personally believe that such a practice should be resorted to only when the club is faced with an urgent need. This year we must replace six members whose terms expire, plus two other members who have resigned from the board.

Consequently, I am exhorting each of you to volunteer or to send names of other members no later than December 31, 1993 for nomination to the Board. If you submit names of other members, please indicate that you have their consent to do so. Please send the names to me, since I will serve (again, according to the bylaws) as chairman of the nomination committee.

The committee will then review the names for eligibility, and give the full board a slate of nominees from whom the board will elect the new directors and officers at its meeting in January or March. The new directors' terms will begin April 1, 1994. This is your chance to influence the composition of the board and its representativeness. Don't underestimate the importance of this opportunity!!

The new playing opportunities announced in the October *Times* have been well-received and are being used to capacity. If you have not been able to get in, call the captains to make reservations for the Winter and Spring sessions. In the meantime, the VPs for Facilities and Program are working hard to obtain additional playing sites and courts.

Remember, however, that the benefits to be derived from club membership do not stop with playing opportunities. We have an excellent, diversified program of social activities (both tennis-related and unrelated), special tennis and health clinics, summer team play, tennis camps, and special events designed to promote members' socializing and tennis skills.

World AIDS Day Round Robin

The Arthur Ashe Foundation for the Defeat of AIDS, Inc. invites STPC members to sign up for a two-hour event of mixed doubles in December, on a date and at a location to be determined. The suggested entry fee is \$25 per player. This covers court expenses, with the balance going to the Foundation. All players supply a can of balls.

Teams will be organized into two divisions. Each team plays every other team in its division. In the opening rounds, each team plays one set of doubles, a set being four games. The top two teams in each division move on to the semifinal round, and those winners move on to the final round. The semifinals and finals are one regular set, with regular scoring.

If you're interested in playing, call Percy Hughes at 545-7696, as soon as possible.

1994 Senior Tennis Players Club Membership Renewal Form

Complete this form and send it (no later than January 2, please!) with your check for \$20, payable to Senior Tennis Players Club, Inc., to Bernice Hanson, 120 Windsor Court, New Brighton, MN 55112, phone 633-3276. Note: if you're a new member who joined STPC this December, your 1994 dues are paid in full.

60 Years of Tennis in the Northwest

by Chuck Britzius

The game of tennis was formally introduced into the United States in 1881, when the US Lawn Tennis Association was organized. Before then the game was played in England and eventually made its way to this country. The records of the USLTA show that a national tournament was played in 1881.

In this area, the records of the Burton Grass Courts in Decphaven show the game being played from 1886 until the outbreak of World War II in 1941. From the records of winners, it appears that Decphaven was a stopoff for players from California traveling to the National Tournament in the East. Many of our local players participated in the National Tournament.

Tennis was formally added to the University of Minnesota's athletic program in about 1902. That year, N. Werner was the first tennis letter winner. The U of M's

first Big Ten champion in singles was J. J. Armstrong in 1911. The first doubles winners were John Adams and Paul Sischo in 1910.

The records don't tell us much about the team championships. From about 1920 to 1975 there was team competition, but the winner was determined on the basis of matches won at the year-end tournament. The individual winners were most important. Around 1975 the dual meet format in 6 classes was started. In 1985 the individual championships were formatted.

High school tennis was started in 1929, sponsored by the University of Minnesota and its tennis coach Phil Brain. Later, other states also conducted tournaments. Many high school players moved up into college play.

There were few tennis clubs in the early

years. The oldest is the St. Paul Tennis Club, still located on Osceola Avenue. The Minneapolis Tennis Club, on Morgan Avenue, no longer exists. The first enclosed tennis club was the North Star Tennis Club, built in about 1940. The Minnetonka Tennis Club followed. Clubs in Rochester, Mankato, Duluth and Fargo held annual tournaments.

A record of tennis would not be complete without mentioning the Minneapolis Park Board's program. The Park Board has built tennis courts in all of its parks, and conducted tournaments. The tournament winners have been sent to National Park Board Tournaments since 1923. Mort and Chet Roan of the Park Board were instrumental in the tennis program. Many good players participated in the Park Board program, among them Scott Twins, Norm McDonald, Wes Painter, Larry John and Joe Goswitz.

Tennis Tips

by Virginia Morgan

Safety Reminders—

1. Don't play with a ball on court where someone might step on it. Watch for balls behind your opponents.
2. Never hit a ball to a player unless you have their attention.
3. Don't run backwards. If a ball goes over your head, turn sideways and slide back, turn and pump run, or let it go.

Other Good Guidelines—

When playing indoors and there is a charge, try to be on time. Stretch or exercise before going on court so you're ready to play.

If you are continually playing in a group with players who are stronger than you, consider attending some drills or taking private lessons. Most stronger players won't mind playing

with you once in a while, but it isn't fair to them.

Know where all three balls are at all times, and retrieve them for the server. It helps the game run smoother. When you're serving, and you need a ball, let the other players know. Hold a ball up, and say, "Need one." If you have two and a player is about to send a third ball to you, hold two balls up and say, "I've got two."

When sending a ball to the server, pick it up and copy the ball boys in a tournament. The ball boy throws the ball so it's one bounce to the server. There's no rule, but it seems more courteous to pick up the ball and send it to the server rather than pushing it on the ground and having the server pick it up.

When receiving, think of the three Rs—*ready, read, and reach*. Be thinking or anticipating of where you want to return the ball. Options are cross court, down line or lob (doubles).

Lone Lake Tennis Old Time Party

The Fourth Annual Old Time Tennis Party was held on July 5. Players used Paul Weinreis' antique wooden tennis racquets, old all-white tennis balls, and were required to dress formally in tennis whites, preferably with a 1920s flavor.

Between the warped racquets and dead balls, a good (old fashioned) time was had by all.

Wanted: regular players and subs

Decathlon

We still have room for two players at the 2.5 and 3.0 skill level at Decathlon. Call David Zimmer at 588-2554 to sign up.
