OCTOBER 1999

## The Best Yet Jack Dow Tournament

It wasn't the US Nationals or Wimbledon, but it had all of the excitement, anticipation, and enthusiasm of those nationally televised tournaments for the more than 175 seniors taking part and their fans—although the participants might have had a slight age advantage.

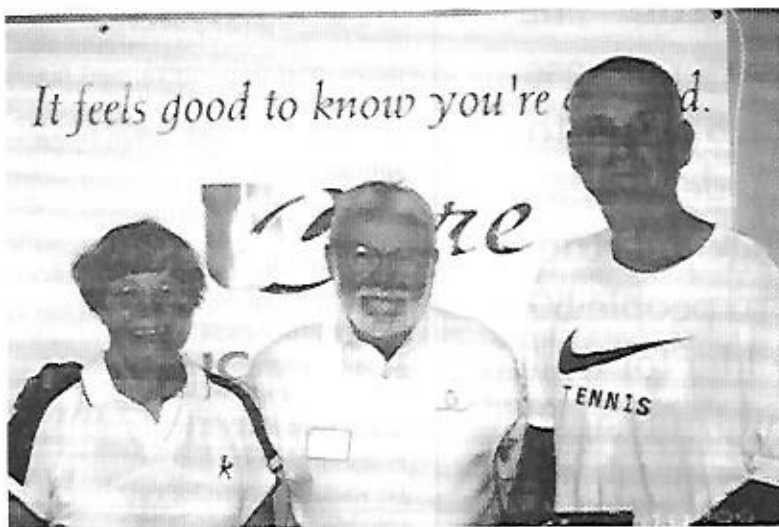

The Fourth Annual Jack Dow Tournament was held at the beautiful Normandale Northwest Athletic Club in Bloomington. The facility turned out to be ideally suited for the event. All but two of the eight playing courts were visible from a good vantage point, and the players, along with guests and the committee were provided with a spacious private lounge overlooking the courts. Some participants proclaimed this to be the best tournament since the first one was held four years ago in memory of STPC founder, Jack Dow.

As is to be expected, coordinating the scheduling inevitably led to some occasional glitches, but they were minimal in light of the fun and excitement of friendly competition. The Jack Dow committee, however, extend their thanks for the tolerance and understanding of the members who were inconvenienced by scheduling problems.

The committee offers their congratulations to all 52 winners and runners up, who were delighted with the attractive trophy plaques that will add beauty to any trophy case.

The Jack Dow Tournament Trophy

4.0 mixed doubles champions Nancy Miller (L) and Dick Miller (R), with Bob Tischbein.

The committee is also indebted to the tournament's principle sponsor, UCare Minnesota. In addition to their financial contributions, they provided attractive water bottles for all participants and guests. And of course, special mention has to be given to the tournament's excellent director, the winner of more than 100 tournaments himself, Ernie Greene, and his congenial assistant, Percy Hughes. Kudos to the rest of the committee, too—Matt Little, chair, Irma and David Brink, Sue Larson, Bob Tischbein, Bill Connell, Winnie Lund, Ron Liddiard, Ronnae Wagner, Don Schneider, and Polly Maki.

(See page 3 for a list of tournament winners, and pages 4 and 5 for more picture of the winners.)

## Report From the President

By Bob Tischbein

Now that the summer tennis season is over, the Board concerned itself with the winter season and improving the 2000 summer season.

The first tennis party is planned for October 31 at the new Oakdale Golf and Tennis Dome in Oakdale. A coupon for reservations is available in this issue. Space is limited, so Ronnae Wagner, events chair, recommends that you respond as soon as possible. The second tennis party is in the planning stages, and will be held at Flagship on December 5. It will be a Sunday morning event.

Jan Hagen reported membership at 1,710, a slight increase over last year. The membership drive started last month. If a new member joins now, he or she receives the rest of 1999 and all of 2000 for only \$20. This is certainly the best tennis opportunity in the Twin Cities!

USTA has given us a mailing list of several thousand of their members who are seniors. STPC will be sending out some selective mailings from this list in an effort to help achieve our goal of 1,900 members by December 31.

STPC member Vi Meyer was given time to address the board concerning a problem at the Lone Lake Courts in Minnetonka. The courts were given up on Tuesday to Team Tennis and four Fridays were given up to Roger Boyer's doubles classes. Vi requested that these programs be held in places and at a time that does not interfere with scheduled times. The board thanked Vi for bringing this to their attention and assured her that they would make adjustments.

The Jack Dow Tournament is over. Look for the report by Matt Little, tournament chair, and pictures in this issue. The tournament was a big success and was enjoyed by all. I want to personally thank the committee. They deserve a big thank you!

Have fun on the courts, and be courteous.

**STPC Mission Statement:** "The primary purpose of the STPC is to provide tennis playing opportunities to people 50 and older for their mental, physical, and social well being."

## Civility on the Courts

By Ron Liddiard

When the captain calls for the end of the playing period, stop your play and go to your next court. This will let everyone get the maximum amount of play.

Here's how to determine which team has won when you don't finish the game you're playing:

- If the score is tied, the first team that got that score is the winner.
- If one team does not have six games, the team that is leading is the winner.

Tennis is a great game when played with a friendly spirit.

## Summer A-League Team Tennis Wrapup

By Jan Hagen

Congratulations to the champion and runner-up teams. Jean Murdock and Jerry Welch's team defeated Deni Sahr's team, 6-12, in the championship match held August 17 at Capital View Courts in Saint Paul.

Applause goes, too, to Bob Powless' team for winning the consolation match 5-3. Muriel Hackney and teammates were the runners up in a close contest. That match was played at Olson Middle School in Bloomington.

I want to thank all captains, players, and subs for their participation. Particular thanks to those who submitted their feedback surveys. I read many nice kudos regarding captains,

good sportsmanship, organization, nice people, and good competition!

We are seriously considering all your suggestions for improvement. After one meeting we have already formulated some changes to make next summer's Team Tennis the best it can be—more to come on that later.

In wrapping up the season, I thought you might be interested in some statistics:

- Approximately 81% of the players were from Minneapolis and suburbs, and 19% from the Saint Paul area.
- The STPC members participating were from 27 different communities. This is rather impressive, I think, and a nice broad base from which to grow.

Again, congratulations to Team #7 and Team #6, and to the runners up, Team #3 and Team #1. Remember, keep Tuesdays open next summer and spread the word!

## Hit 'N Giggle Final Standings

The White Team was the top team by winning 9 matches. The Green Team won 7 matches to come in at second place. The Yellow Team came in third with a total of 5 matches. The Pink Team finished last, winning 3 matches.

Of course, all this was accomplished outdoors, even with a number of matches cancelled because of rain. All in all, it was a successful season.

The finale was a picnic at Brookview in Golden Valley. No two dishes in the potluck were alike. It can be said that these players were really cookin'! Thanks to all who participated—we had a great summer of tennis.

As Shirley Pratt turned over the reins to Joyce Olsen, she said thank you to all of the captains and the players for their cooperation, and for the beautiful croton plant and the cake. We are looking forward to next season!

## Twelve Lesson Awards

Marsh Johnson and Bill Ellis are the latest STPC members to complete twelve lessons. Congratulations!

## In Memoriam

Carolyn Becker, 42, STPC member Betty Moorhead's daughter, died September 1 of a brain tumor. Betty has been an active member of STPC for ten years. Our sincere sympathy is extended to Betty and her family.
