This summer STPC will sponsor weekly, outdoor drills at three locations (see above) during the months of May through August. The drills are led by credentialed tennis professionals. These drills will begin the first week in May (except Monday drill which starts in June) and will run through August.

**Each week on Wednesday you will receive an email notifying you of the following week's drills.** The green "GET TICKETS" link will take you to TicketBud to buy a ticket(s) for that week. If you are not getting this email link, email me at [mnkevin4@gmail.com](mailto:mnkevin4@gmail.com) and I can add you to my bcc invitation list. Note, **you will need to add this email to your contact list**, so my invitations don't go to your SPAM/ Junk folder.

If you are a beginning tennis player, are ranked below 2.0 or just need a refresh with your skills we recommend three different sites in the Twin Cities through the following facilities:

- Inner City Tennis (<https://www.innercitytennis.org>) summer schedule includes Adult Step 1 & Step 2 drills.
- St. Paul Urban Tennis (SPUT) (<https://stpaulurbantennis.org/adult>) offers two outdoor drills.
- Fred Wells Tennis and Education Center (the Fort) ([www.fwtec.org/clinics-drills](http://www.fwtec.org/clinics-drills)) offers a beginner's drill.

Be sure to check out the community education senior tennis offerings in your area too! See also the websites for each of the above sites for updated information. STPC is excited to provide various options for each and every one of you to find the drill(s) which work best for you. Remember the camp song "meet new friends and keep the old"? Let's add 'have fun and improve your game'. See you on the courts!
